

Position Title:	Street Operator
Department:	Public Works
Supervisor	Public Works Streets/Sanitation Division Director
Supervision Exercised:	None
FLSA Status:	Non-Exempt
Average Hours per Week	40
Position Type:	Full Time, Benefits Eligible
Pay Grade:	7
Location:	Operations, 3451 S. Ard Road
Last Updated:	September 16, 2022

General Purpose

The principal function of an employee in this class is to perform unskilled and semi-skilled maintenance and service work and learn to perform skilled maintenance work on City streets and public areas and facilities. A Public Works Street Operator may be assigned to specific areas such as sanitation, streets or be given other maintenance assignments. This is an entry level position where an employee is gaining skills and working toward required or requested certifications. Employees must operate or learn to operate light and heavy equipment, troubleshoot problems and implement solutions, pick up and transport garbage, perform snow removal, etc. Most work is completed as a member of a crew. Work is performed under the supervision of a Foreman. The principal duties of this class are performed in a shop and outdoor environment that may involve inclement weather and potential personal hazards.

Supervision Received

Works under the supervision of and reports directly to the Public Works Streets/Sanitation Division Director.

Essential Duties and Responsibilities (Duties will vary depending on assignment and therefore the following list is illustrative only)

- Operating light and heavy equipment to assist in patching streets and roads and performing various road construction projects;
- Locating and marking utility lines, including water, sewer, gas, power, telephone and television, prior to excavation;
- Driving sanitation truck to remove, transport and dispose of residential trash;
- Operating a variety of vehicles and heavy equipment, including but not limited to, tractor mowers, dump trucks, front end loaders and attachments, sweepers, backhoes, water tankers, snow removal vehicles, graders, and related equipment;
- Operating a variety of hand tools and power equipment including but not limited to jackhammers, electrical testing equipment, metal detector, welder, hand held meter data collection device as needed;
- Grading and watering roads; repairing and replacing street signs;
- Removing snow from streets, sidewalks, parking lots and other public areas; removing debris and other safety hazards from streets, curbs, storm drains, alleys and adjacent public areas;
- Placing work zone traffic control devices and performing flagging duties;

- Reforming routine maintenance on vehicles and equipment and maintaining service and maintenance records;
- Developing and maintaining positive working relationships with supervisor, co-workers, subordinates, the general public, and other individuals or groups encountered through this position.
- Performing all duties with regard for personal safety and that of other employees and the public.
- Providing assistance and expertise to other City departments, agencies, and staff.
- Performing all work duties and activities in accordance with City and Department policies, procedures and safety practices.

Peripheral Duties

- Performs other related duties as assigned, consistent with this job description.
- May serve as a member on various committees.
