15. Occupying Structure Prior to Issuance of a C of O -Residential: \$500 plus \$200 for each day after the first day.

SECTION 1-B: BUILDING PERMIT AND REVIEW FEE POLICIES

Building Code Plan Review Fees. When submittal documents are required by the International Building Code, Section 105 and the International Residential Code, Section 105, a building code plan review fee shall be paid at the time of submitting the documents for plan review. Said plan review fee shall be sixty-five (65) percent of the building permit fee as shown in Table 1-A.

The plan review fees specified are separate fees from the permit fees specified in the International Building Code, Section 109.2 and the International Residential Code, Section 108.2 and are in addition to the permit fees.

Fees for re-roofs.

- Residential Re-Roof Fee: 1% of the Contract Price as submitted by the roofing contractor owner, not to exceed \$100.
- Commercial Re-Roof Fee: A full building permit fee and a ten (10) percent plan check fee shall be required for all commercial re-roof permits. No Fire Department plan check fee and no Planning Department plan check fee shall be required for re-roofing. However, when a re-roof of other than a one- or two-family dwelling includes new structural elements that change the roof, including but not limited to the addition of cold roof sleepers, a full permit shall be required and all plan check fees shall be assessed.

Fees for repairs. Repairs of all elements for which a building permit is not specifically excluded shall require a permit. Fees for repair work shall be the full building permit fee based on the cost of the repair work and a ten (10) percent plan check fee. No Fire Department plan check fee and no Planning Department plan check fee shall be required for repairs.

Planning Department Review, Inspection and Fees. Planning Department approval shall be obtained prior to obtaining a building permit. Planning Department fee for plan check for building shall be assessed and collected by the Building Department at the time of application for a permit.

Fire Department Review. Fire Department approval shall be obtained prior to obtaining a building permit. A plan check fee for the Fire Department review shall be in accordance with the Fire Department fee schedule as enacted by separate resolutions and ordinances but shall be assessed and collected by the Building Department at the time of application for a permit.

Incomplete construction documents. When submittal documents are incomplete or changed so as to require additional plan review or when the project involves deferred submittal items as defined in the International Building Code, Section 107 and the International Residential Code, Section 106, an additional plan review fee shall be charged at the rate shown in Table 1-A.

Issuance of a Building Permit. A building permit shall be issued once all required documents have been received and all plan reviews have been completed and approved. The Building Official, or their designee, shall sign the Building Permit. All timelines and scheduling requirements begin on this date.

Payment of Fees. On application for a permit applicant shall pay one hundred (100) percent of all permit, plan check, fire plan check, and planning and zoning plan check fees. All other fees, including contribution fees and any fees paid in-lieu of actual improvements or requirements shall be paid when the building permit is issued or as required by a development agreement approved by the City Council.

Penalty for Commencement of Work without a Building Permit. This penalty shall be assessed in addition to stop work order and violation fees allowed for in Ammon Municipal Code, Section 15.04.030.

Commencement of Work is defined as, "Initiation of any portion of any structural elements of any project requiring a permit."

Temporary Certificate of Occupancy. A Temporary Certificate of Occupancy shall be issued in rare circumstances and only for projects that meet all life safety and structural requirements as dictated by the family of international building codes, as applicable to the project. A Temporary Certificate of Occupancy shall be valid for no more than fourteen (14) days from the date of issuance, at which time the project must obtain a permanent Certificate of Occupancy or pay the fee for an additional Temporary Certificate of Occupancy.

Bonding Permitted for Incomplete Improvements. In lieu of a Temporary Certificate of Occupancy, and at the sole discretion of the Building Official, a 200% bond for the value of any unfinished improvements such as, but not limited to, City sidewalks, driveways, landscaping, parking lot surfacing and striping, or other similar unfinished items located external to the structure may be submitted to the City of Ammon, provided that all life safety and structural requirements as dictated by the family of international building codes have been completed on the structure.

Fee Refunds. The Building Official may authorize refunding of any fee paid hereunder which was erroneously paid or collected.

The Building Official may authorize the refunding of eighty (80) percent of the permit fees and the various plan review fees. The refund fee shall be 20% of the value of the permit fee or \$15.00, whichever is greater. The applicant for a building permit must request a refund in writing on or before the one-year anniversary of the date the application for a permit was completed.

Fine(s) for Occupancy of a Structure prior to Issuance of a Certificate of Occupancy

- **Commercial Structures** - A fine of \$1000.00 for commercial buildings will be assessed if the building is occupied without a certificate of occupancy. An additional fine of \$200.00 per day will be assessed for each day the building is occupied without a certificate of occupancy and until payment of the fine is made. All fines shall be paid prior to issuance of any certificate of occupancy.
- **Residential Structures** - A fine of \$500.00 for residential buildings will be assessed if the building is occupied without a certificate of occupancy. An additional fine of \$200.00 per day will be assessed for each day the building is occupied without a certificate of occupancy and until payment of the fine is made. All fines shall be paid prior to issuance of any certificate of occupancy.
